

Important Message: Weekly Service Update & Alternative Plans

Redeemer Church of South Hills Family,

Due to the growing concern over the Coronavirus and the rapidly changing guidelines of having no gatherings of over 10 people, out of an abundance of caution, we have decided that it's in the best interest and safety of our congregation that **we cancel our live worship service for this Sunday, March 22nd. As an alternative, we will be broadcasting a modified service across all of our online channels.**

The details surrounding the cancellation and broadcast are below but if you have any additional questions, please reach out:

When & where will the service be broadcast?

The service will be broadcast beginning at 10:00 AM on Sunday, March 22nd on the RCSH website, on our Facebook page, and on our YouTube channel.

How can I access the broadcast?

Visit any of the following links below to access the broadcast.

- [RCSH Website](#)
- [RCSH Facebook Page](#)
- [RCSH YouTube Channel](#)

What if I don't have a Facebook or YouTube account?

You do not need a Facebook or YouTube account to view the broadcast however if you do not have an account, it is recommended to watch it either on our website or our YouTube channel.

What about my weekly offering? Is there a way I can still give?

Yes! You can [access Online Giving on our website by clicking here](#) or you can simply set aside your offering and contribute at our next scheduled service.

How will you be communicating this information to the congregation?

This message will be sent out via email, text and phone call to ensure everyone receives it.

Can I share this information & broadcast with a friend or family member?

Absolutely! We encourage you to communicate this to anyone who needs to know or is simply looking for an alternative service.

For how long will services be cancelled?

The Leadership Team will be monitoring the local, national and international directives and will make decisions on a week by week basis, taking an abundance of caution to protect the health and well-being of our congregation and all others involved in the preparation of our weekly services. We are also in communication with the hotel and any alternate locations for planned services to be certain of their availability.

What about all of our weekly bible studies and other gatherings?

At this time, all weekly bible studies and other RCSH gatherings have been postponed until further notice.

What will the modified service consist of?

This will be a time of prayer, a sermon from Pastor Joe, as well as announcements.

I have a prayer request that I would normally ask for at church. How can I give this request?

If you have a prayer request that you want to put out to the congregation, please email prayer@redeemerchurchofsouthhills.org or you may contact Michele Tullai. For any confidential requests, please contact Pastor Joe directly.

I'm not able to watch at 10:00 AM on Sunday. Can I still view it?

Yes! The service will be available to watch on all of our channels in the same way you would any of our other weekly sermons.

Can I still order tulips for Twilight Wish and if so, how can I order?

The Twilight Wish Tulip fundraiser is still going on based on the latest email from the organization. We are still taking orders which are due by Sunday, March 20th.

I or someone I know is in need of financial assistance or another Mercy need. Who can I contact to request this need?

Please email leadership@redeemerchurchofsouthhills.org or contact any member of the Leadership Team directly.

We understand and respect everyone's concerns and this is not a decision that we take lightly but again, the health and safety of our congregation during this season is very important to us. We urge you to take all of the necessary precautions that are being put forth and we continue to pray for the protection and the safety of all of those who have been or may be affected by this and other illnesses.

We appreciate your understanding and as always, if you have any questions or concerns that you would like to bring to our attention, simply reply to this email or contact any member of Leadership individually.
