

WELCOME

We extend a sincere welcome to all who worship with us today. It is the prayer of Pastor Joe and the leadership that you may know the blessing of the Lord and grow in grace and in the knowledge of Jesus Christ, our Savior.

... a miracle is defined as a work that occurs in the external perceivable world; an extraordinary work in the external perceivable world against the laws of nature, by the immediate power of God; a work that only God can do, such as bringing life out of death, such as, restoring a limb that has been cut off—by command—such as, walking on the water, such as, turning water into wine.
