

## Important Message: Weekly Service Update & Alternative Plans

Redeemer Church of South Hills Family,

A reminder that we **will not be holding a live service this Sunday, March 29th and instead will be broadcasting a modified service across all of our online channels.** The details surrounding the broadcast are below but if you have any additional questions, please don't hesitate to reach out:

**Also, beginning this Wednesday evening at 7:00 PM, we will be holding a prayer meeting via a group telephone line that you all will be able to join into with one another! This "virtual prayer meeting" will be a time of scripture reading, prayer requests and prayer from anyone who is led to pray or you can simply join in and pray with us silently. The telephone number and other details will be sent out early next week!**

### **When & where will the service be broadcast?**

The service will be broadcast beginning at 10:00 AM on Sunday, March 29th on the RCSH website, on our Facebook page, and on our YouTube channel.

**For how long will services be cancelled?**

The Leadership Team will be monitoring the local, national and international directives and will make decisions on a week by week basis, taking an abundance of caution to protect the health and well-being of our congregation and all others involved in the preparation of our weekly services. We are also in communication with the hotel and any alternate locations for planned services to be certain of their availability.

At this time, all weekly bible studies and other RCSH gatherings have been postponed until further notice. We are looking at various ways to hold gatherings remotely so stay tuned!
